Summary of reasons for decision:

The video depicts adults and children who are naked and are posing in various locations for a photoshoot. The video is amateur in tone and appears to have been taken in a naturist setting. There is nothing in the video that can be reasonably considered sexual in nature. The video does not deal with matters of sex, or any other matters, under s3(1) of the Films, Videos, and Publications Classification Act 1993, nor does it raise any issues under ss3A or 3B of that Act. It must, therefore, be classified unrestricted. This unrestricted classification places no limitation on the right to freedom of expression provided by the New Zealand Bill of Rights Act 1990.
